

Embrace Your Inner Pirate.

Staying in touch with your inner Pirate is about keeping connected to East Carolina – your university, your people, your traditions. East Carolina Alumni Association members make-up a community of people who have a shared ECU experience, who care about the University, and who want to stay connected to it. The Alumni Association is here to keep you connected to ECU throughout your lifetime.

By becoming a member of the Alumni Association, you are supporting alumni programs and scholarships and showing your commitment to excellence at ECU. In return, you will receive additional communications about East Carolina and alumni events in your area. You will also receive special member pricing at events like this chapter event and local and national discounts. Best of all, you will have pride in membership.

The East Carolina experience creates a sense of passionate pride among alumni and friends. Every member of the ECU family has an inner Pirate and we say embrace and let it show!
