

## Your Participation Makes a Difference!

The East Carolina Alumni Association annually awards \$1,000 scholarships funded by alumni contributions. In the past five years, 92 student scholarships have been awarded to deserving East Carolina University full-time undergraduate students. In 2010, we will award 24 Alumni Scholarships that are generously funded through the Pirate's Bounty Scholarship Auction, the ECU Alumni Scholarship Classic, the Pirate Alumni Road Race and Fun Run, and alumni contributions. Your participation in this event ensures that we can continue to grow this program. No matter if you participate in one of these events or make an individual contribution to our scholarship fund, your participation really does make a difference!
