SPRING COMMENCEMENT

Friday, May the Fifth  
Two Thousand Twenty-Three  
Bagwell Field at Dowdy-Ficklen Stadium™  
Greenville, North Carolina

# THE ACADEMIC PROCESSION

*For the benefit of our visitors, the following information, digested from An Academic Costume Code and Ceremony Guide prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.*

In the procession, first come the speakers, trustees, administrative officers, candidates for honorary degrees and other members of the platform party, then the faculty, and finally the candidates for degrees arranged in the order in which the degrees are to be conferred.

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all Doctors, Licentiates, and Bachelors of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel, a conference held at Columbia University in 1895, made up of representatives from various institutions, drew up a By-law, Regulation, or Statute for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by the Committee on Academic Costumes and Ceremonies of the American Council on Education, is still in force; the costumes and colors, trimmings and patterns you will see are all traditional, and interpret both the degree and field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves, and the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive to the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

<b>Apricot</b> .....	Nursing	<b>Olive-Green</b> .....	Pharmacy
<b>Brown</b> .....	Fine Arts	<b>Orange</b> .....	Engineering
<b>Citron</b> .....	Social Work	<b>Pink</b> .....	Music
<b>Crimson</b> .....	Journalism	<b>Purple</b> .....	Law
<b>Dark Blue</b> .....	Philosophy	<b>Sage Green</b> ....	Physical Education
<b>Golden Yellow</b> .....	Science	<b>Salmon Pink</b> .....	Public Health
<b>Green</b> .....	Medicine	<b>Scarlet</b> .....	Theology
<b>Lemon-Yellow</b> ....	Library Science	<b>Teal</b> .....	Physical Therapy
<b>Light Blue</b> .....	Education	<b>Yellow-Brown</b> .....	Commerce, Business, Accountancy
<b>Lilac</b> .....	Dentistry	<b>White</b> ....	Arts, Letters, Humanities
<b>Maroon</b> .....	Home Economics		

The hoods, differing in length for the three degrees, bachelor's, master's and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with the dark blue, for doctor of philosophy.

Mortar boards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

## Of Special Note

Student members of the ECU chapter of Phi Kappa Phi wear braided navy and gold honor cords. Phi Kappa Phi is the nation's oldest, largest and most selective collegiate honor society that inducts top baccalaureate and higher degree candidates in all disciplines. Initiates of Phi Kappa Phi must rank in the top 10% of their graduating class.

## COMMENCEMENT SPEAKER

*Freeman A. Hrabowski III*

Freeman A. Hrabowski III, president emeritus of UMBC (The University of Maryland, Baltimore County), served as president from 1992 to 2022. His research and publications focus on science and math education, with special emphasis on minority participation and performance. He chaired the National Academies' committee that produced the 2011 report, *Expanding Underrepresented Minority Participation: America's Science and Technology Talent at the Crossroads*. He was named in 2012 by President Obama to chair the President's Advisory Commission on Educational Excellence for African Americans. His 2013 TED talk highlights the "Four Pillars of College Success in Science." In 2022, Dr. Hrabowski was elected to the National Academy of Engineering, and he was also named the inaugural ACE Centennial Fellow, to be served upon his retirement from UMBC. In addition, the Howard Hughes Medical Institute (HHMI) launched the Freeman Hrabowski Scholars Program (\$1.5 billion) to help build a scientific workforce that more fully reflects our increasingly diverse country. In October 2022, he was named the inaugural Dr. Martin Luther King Jr. Commemorative Lecture Speaker by Harvard. In April 2023, he received the National Academy of Sciences' highest award, the Public Welfare Medal, for his outstanding leadership in transforming U.S. science education and increasing cultural diversity within the science workforce.

Dr. Hrabowski was named one of *America's Best Leaders* by *U.S. News & World Report* in 2008, which ranked UMBC the nation's #1 "Up and Coming" university for six years (2009-14). From 2015-21, *U.S. News* ranked UMBC in the top 10 on a list of the nation's "most innovative" national universities. *TIME* magazine named him one of *America's 10 Best College Presidents* in 2009, and one of the "100 Most Influential People in the World" in 2012. In 2011, he received both the TIAA-CREF Theodore M. Hesburgh Award for Leadership Excellence and the Carnegie Corporation of New York's Academic Leadership Award, recognized by many as the nation's highest awards among higher education leaders. Also in 2011, he was named one of seven *Top American Leaders* by *The Washington Post* and the Harvard Kennedy School's Center for Public Leadership. In 2012, he received the *Heinz Award* for his contributions to improving the "Human Condition" and was among the inaugural inductees into the *U.S. News & World Report STEM Solutions Leadership Hall of Fame*. More recently, he received the American Council on Education's *Lifetime Achievement Award* (2018), was named a recipient of the University of California, Berkeley's *Clark Kerr Award* (2019), and was awarded the University of California, San Francisco's *UCSF Medal* (2020).

A child-leader in the Civil Rights Movement, Hrabowski was prominently featured in Spike Lee's 1997 documentary, *Four Little Girls*, on the racially motivated bombing in 1963 of Birmingham's Sixteenth Street Baptist Church. Born in 1950 in Birmingham, Alabama, Hrabowski graduated from Hampton Institute with highest honors in mathematics. He received his MA (mathematics) and PhD (higher education administration/statistics) from the University of Illinois at Urbana-Champaign.

# THE ROBERT H. WRIGHT ALUMNI LEADERSHIP AWARD

*The Robert H. Wright Alumni Leadership Award is the most prestigious honor bestowed on an East Carolina University undergraduate student. The award, sponsored by the East Carolina Alumni Association, is presented to seniors who have demonstrated rare achievement in scholarship, leadership and service.*

Onolunosen (Ono) Abhulimen.....Winston-Salem, NC  
Matt Blount .....Greenville, NC  
Teresa Hupp .....Raleigh, NC  
Calli Jon Massengill ..... Benson, NC  
Wrenn McCrae Whitfield ..... Kinston, NC

## **ONOLUNOSEN (ONO) ABHULIMEN**

**Major:** Biology

A member of the ECU Honors College, Ono is earning a degree in Biology with a concentration in Molecular and Cellular Biology and plans to be part of the Brody School of Medicine's incoming class of 2023. Intentional about advocating, educating, and raising awareness for health equity, she has received multiple recognition awards for her work with Students for Equitable Health Outcomes (SEHO), an organization she founded as a freshman and is the current President. Ono started an educational initiative to teach North Carolina public school students about the intersection between COVID-19, health disparities and health outcomes through lesson plans she developed. Inspired by a study abroad experience in Milan, Italy, Ono worked with a team of students to create a color-changing bandage that could detect infections based on the pH change at the wound. That project was presented at research symposiums at ECU, UNC-Wilmington and Harvard.

## **MATT BLOUNT**

**Major:** Public Health

A Public Health major with a concentration in Pre-Health with plans to obtain his Master's Degree in Business Administration at ECU and eventually continue to medical school, Matt has also completed minors in Composite Natural Science and Business Administration. During the pandemic, he helped launch the on-campus flu and covid clinic model – HealthDemic – that continues to be utilized today. Matt is a founding member of the ECU chapter of Delta Tau Delta fraternity. Building on his fraternity's philosophy of service, and to honor his mother who was diagnosed with type 1 diabetes while a student at ECU, Matt created Greenville's JDRF One Walk. Since February 2022, the event has raised more than \$70,000 for type 1 diabetes research, pushing the fraternity to the top with the most community service hours and philanthropy money raised nearly every semester.

## **TERESA HUPP**

**Major:** Nursing

A member of the ECU Honors College, Teresa is majoring in Nursing through ECU's College of Nursing with plans to practice as a registered nurse after graduation. Through the College of Nursing, Teresa studied abroad in Antigua, Guatemala to help improve Guatemalan community health with the distribution of water filters, and lessons on hygiene and disease prevention. There she also volunteered at rural community pop-up clinics and at a malnutrition center for mothers and children. Her research with ECU's Dr. Kim Larson to investigate advanced care planning engagement within ENC's Latino population led to multiple co-authorship and presentation opportunities for Teresa. She also served as the Executive Vice President for the university's Panhellenic Association where she served as the association's representative on other campus-related boards and helped to bring keynote speakers to the general student body.

## **CALLI JON MASSENGILL**

**Major:** Special Education, Adapted Curriculum

A member of the ECU Honors College, Calli Jon is majoring in Special Education – Adapted Curriculum in the College of Education. She plans to teach in a Title One school in Eastern North Carolina and will eventually pursue her Master's Degree in School Administration. A passionate volunteer for the College of Education, Calli organized blood drives for the College to benefit The Blood Connection in Greenville. She also mentors prospective high school students interested in ECU's College of Education. Her community service extends to advocacy issues as well, working with ECU's Student Government Association to help pass legislation to support sexual assault survivors. Calli spent time in the Czech Republic teaching and researching the implementation of Positive Behavioral Interventions and Supports (PBIS) as part of a study abroad program with Dr. Tosha Owens.

## **WRENN MCCRAE WHITFIELD**

**Major:** Biochemistry

With plans to attend the University of North Carolina Adams School of Dentistry following graduation, Wrenn is majoring in biochemistry with a concentration in biology. She will also earn a minor in business administration and a certificate in entrepreneurship. Wrenn helped to establish and currently serves as the Project Coordinator for the ECU School of Dental Medicine's Hyde County Outreach Clinic, an organization committed to providing oral healthcare to the residents of Hyde County that have not had access to care for over 10 years. In addition to being a founding Executive Board member of the Rotaract Club of ECU and ECU Smile Squad Honor Society, Wrenn spearheaded a partnership with JOY CommUnity Center to involve various student organizations in activities for local children and oral health education events.

# EAST CAROLINA UNIVERSITY'S MACE, LOGO AND SEAL

The **mace**, a medieval weapon, has become through the centuries an insignia of university authority. In this instance it represents the continuity of the institutional governing body.

Some forty-three inches long and weighing approximately fourteen pounds, the East Carolina University mace is constructed of sterling silver. It features a unique purple fluorite crystal cluster contained within a gold-plated cage. The shaft of the mace has a hammered texture and is divided in the center by a pierced band. The pierced design is repeated at the mace boss (symbolic head) and terminus. The terminus is a representation of the historical weapon head which has diminished in size as the mace has changed from a weapon to a symbol. The same representation of symbolic use has increased the size and importance of the boss or mace head. The mace bears the inscription *East Carolina University 1907*.

This handsome mace was designed and executed by the late John Satterfield of the Design Department of the East Carolina University School of Art, who commented on the design concept: In designing the East Carolina University mace I have attempted to maintain the visual integrity of a traditional mace and at the same time create a contemporary symbol which is unique to this institution.

We share a bold vision. Big goals. Great opportunities. Getting there means telling the ECU story in an equally bold way.

That's why in 2017, a new logo and brand identity were launched, along with expanded advertising in newspapers, television, radio and the web – plus a new website homepage. The new logo and all communications are lining up to present ECU as the leading national university it has become.

The **logo** is a stylized illustration of the most iconic architecture on the beautiful ECU campus: The Cupola. The Cupola is a copy of the ornamental structure that once graced the top of Old Austin, the original administration building. Look closely at the logo and you'll see a representation of our students in cap and gown, underlining this university's commitment to student success. Like other national universities over hundreds of years of higher education, the logo also includes a shield, contributing a sense of heraldry, gravitas and stature. This is paired with the letters ECU, in type that is both bold and fitting for the institution's personality.

This new look has been embraced quickly across campus, now appearing on hundreds of printed and electronic communications pieces. ECU has earned a place among the very best universities in America.

The official East Carolina University **seal** is a six-cornered shield encased in a circular border containing the name, location, and founding date of the University. It appears on the diploma. The shield represents the shield of trust, as was used in the Crusades.

The university's motto, *Servire* — meaning To Serve — is emblazoned on the scroll. The blazing torch and the open *Book of Knowledge* symbolize education and the service rendered to the students by the University. The ink pot and quill, symbols of scribes, represent the creative arts and the contributions of the students to the world of business. The pirate is the school mascot.

The central motif of the design—a shield within the shield with Polaris, the guiding star, behind the two half globes that make up the world—expresses the idea that East Carolina University has the mission to educate graduates who will serve to the four corners of the world.

Actual honors are awarded based on calculations at the conclusion of the student's final term of enrollment.

The Commencement Program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in this program is not certification that degree requirements have been satisfactorily completed.

# THE NATIONAL ANTHEM

*Oh! say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh! say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?*

– Francis Scott Key

## ALMA MATER

*Praise to your name so fair,  
dear old East Carolina  
Your joys we'll all share,  
and your friends we'll ever be.  
We pledge our loyalty  
and our heart's devotion  
To thee, our alma mater, love and praise.*

– Harold MacDougle '44
